With the announcement, Diane is stepping out of her day to day role esp on forward looking matters.

Hi Tariq, I just received this note. Needles to say, I'm disappointed.

Hi Morgan - I hope you are doing well! Unfortunately due the recent news of Diane Greene leaving Google Cloud, we will need to cancel this meeting for Ulku. Stuart and I are working on the next step and who to reschedule this meeting with.  
Please stay tuned!

Best,  
Megan
